

The Centerline

President's Message

Hello to all members of the NAWIC Pikes Peak Chapter 356!

Hope you are having a great summer!

Bonnie Morgan and Tracy Beers, our Election Committee, with assistance from Linda Champlin-Frank got our ballots out and counted. Thank you for getting this done for our chapter.

Thank you to all the members who will be on our board for the 2017-2018 year. Valerie Bates, President-Elect; Ally Jencson, Vice President; Jennifer Walker, Treasurer; Christina Townsend, Secretary; Naomi Kidd, Kristin Ibarra, Michelle Lipke and Paula Miller, Directors. I will continue a second term as President. We are looking forward to an exciting year in our chapter!

Scott Mikulecky, Attorney of Sherman & Howard, L. L. C. spoke to us about lien waivers – how and when to file. What the waivers should look like. It is always to be reminded about them. We want to thank Sherman & Howard, L. L. C. for sponsoring our meeting and our dinner.

Our next meeting will be on **July 13th** at The Warehouse. Please RSVP right away, as you will want to be there. Gus Hernandez of DynAeroTech UAS Services will talk to us about drones. He is also hoping to have a demonstration for us.

If you have not had a chance, please turn in your Spirit Award nominations to me by August 1st. Nominate someone in our chapter who has the NAWIC spirit and represents our chapter to the fullest!

We need topics for October and November meetings. Please contact our Directors – Naomi Kidd and Kristen Ibarra, if you have a topic you are interested in and/or a venue to have it. Also, please let us know if you have someone who would like to sponsor a meeting for NAWIC.

Enjoy our wonderful weather and summer fruit! Jam season is here and vacations!

"PROMOTING THE CONSTRUCTION INDUSTRY TO AMERICA'S YOUTH"

The Colorado Construction Career Day of Southern Colorado and the construction industry are preparing to host high school students from the southern Colorado area at the 2017 Colorado Construction Career Day event in September 2017. The date is yet to be determined. Both volunteers and financial sponsors are needed to provide activities, equipment to meet our expected costs to host this unique, fun and hands on exploration of careers in the construction industry.

We are encouraging all industries to support this event which gives students the opportunity to explore careers in construction. We are in need of sponsorships to meet our expected budget for expenses. The expense budget is used to provide transportation for schools lacking funds for buses, student lunches, student safety equipment such as hard hats, glasses, safety vests, promotional costs and much more.

Look over the attached sheet to review the sponsorships and use the form below to send us your sponsorship information. We appreciate the support you have given us in the past for Colorado Construction Career Day. It has made an impact on students, administrators, legislators, and even our own industry. With your help and sponsorship, the 2017 Colorado Construction Career Day of Southern Colorado will continue sending the message to students that the construction industry is a viable career choice. If you have any questions or need more information, contact Linda Champlin-Frank at (719) 641-1109 lindacf356@msn.com or Jason Yezek at (719) 321-3018 jason.yezek@centralbancorp.com

Almost 100 years ago Olson Plumbing & Heating Co. opened as a one man plumbing shop.

Since that time Olson Plumbing & Heating Co. has worked on some of the most distinct landmarks in the Pikes Peak Region. Today, we are still family owned and guided by the same simple rules – do excellent work at a fair price, provide prompt service day or night, and stand behind every job.
