

2002 Spirit Award Inaugural Recipient: Cathy Andrew

Presented by Dodi Walch, CIT, CDS

Cathy has served on numerous committees and chaired others - Membership, CAD/Drafting Design Competition, WIC Week, Publicity, Block Kids, Playhouse, you name it. She has worked on all these committees and worked hard. She gives of herself tirelessly.

Cathy earned this award for things that went beyond her work as a committee member or committee chair. Her love of learning and her desire to constantly grow, her ability to find the best in every situation and every person, her humor and her humility, these were the things that she brings to us as a chapter and as individuals that make her so special to us.

In fact, the award itself was inspired by this amazing woman. It is our hope that all of us will strive to earn this award each year by being more like Cathy Andrew. We believe that she truly embodies the NAWIC Spirit.
