Hello and Welcome to Spring!!

As usual, the first quarter of the year was jam packed with NAWIC fun for the Pikes Peak Chapter! It sure feels great to be back to a sense of normalcy with our events. It is truly an honor to be a part of leadership for this amazing chapter.

To recap, we kicked off 2022 with our Block Kids Competition on Feb 5<sup>th</sup>. We had 37 participants and maxed out the space we had at Library 21C. A great time was had by all the kids participating. We even had a couple of former participants come back and be judges! So cool to see the kids stay involved even after they age out of the competition.

Next was the Design Drafting Competition, running through March 20. We had a few local high schools participating with a total of 34 plans submitted. Our judging event was held on March 19<sup>th</sup> and we will be hosting the Awards Dinner and Ceremony for the students on Thursday April 21<sup>st</sup>. I had the privilege of being a judge this year. Some of the designs were really great! I look forward to seeing who our winners are!

And, of course, we had our WIC Week celebrations March 6-12. Every year, our members receive a daily email of encouragement and inspiration. This year, we had a sign-up sheet so our members could take turns shining their light of inspiration via email. We had 6 members send seven emails over the week. It was awesome! We also had a billboard to celebrate WIC Week (photo below) that was up for 4 weeks! We also held a membership drive/mixer during WIC week. Our WIC Week committee did a GREAT job and we had a great time celebrating together.

Pikes Peak Chapter 356 will be attending Forum in Irvine, CA April 29-30. We will have 3 board members and 2 first timers attending! I love every conference where I get to hang out with the best women in the construction industry!

Looking ahead, we are super excited for the 5<sup>th</sup> Annual Rosie Run 5K and 12K Bike Ride in June, our annual hard hat tour, Chapter elections, and more! Here's to shining our light and expanding our impact!

Quarterly Community Outreach

(April – June 2022)

For our second quarter community outreach project, NAWIC Pikes Peak Chapter 356 will be holding a backpack and school supply drive to benefit The Hanger, a program of CASA of the Pikes Peak Region. CASA of the Pikes Peak Region is a nonprofit organization that trains and supervises volunteers to represent the best interests of victims of child abuse, neglect, and severe domestic conflict. CASA volunteers are appointed by judges to be a voice for these children in court and in the community. The desired result is that children be placed in safe, loving homes where they can thrive. The Hanger is a store in the back of the CASA office where foster teens can shop for donated clothing and accessories free of charge. It is a simple concept that most of us take for granted, but for a foster kid, being able to choose and wear your own clothes builds self-esteem.

In July, The Hanger holds a back-to-school party for teens in foster care, where they can pick out all their own school supplies and a backpack. This is so important to the youth, as they do not always have the same opportunities to get fun or cool or trendy items for school, so choosing their own items and having a good variety really helps build normalcy. They light up when they see all the options from which they can choose! The Hanger has school supplies available all year long so that they can pick up what they need throughout the year. This also helps when they have emergency placements, as these teens often are unable to grab many items before being removed from their homes and school supplies are not on their mind at that time.

For the months of April, May, and June, our chapter will be collecting backpacks and school supplies for The Hanger's back-to-school party. Things that they are currently in need of are:

- Backpacks
- Folders
- Dividers
- Paper – College and wide ruled. Filler paper, spiral notebooks, and composition books.

Teens really enjoy FUN school supplies! Look for items that are pretty, trendy, and/or have designs on them, for boys and girls, ages 13-21. This is a perfect time of year to look for clearance backpacks and school supplies at local stores like Hot Topic, Kohl's, JC Penney, Target, Walmart, Ross, TJ Maxx, and more. There are also great options available online that are fun prints and on clearance. This one was found on Pottery Barn Teen!

Please bring your backpacks and school supplies to our April, May, and June meetings or contact Samantha Walter to arrange for pick up or drop off. Feel free to share this donation opportunity with everyone that you know! The chapter will be making one big donation of all items collected in June. The donation date is currently TBD.
