Hello and Happy May!!

Happy Mother's Day to all our moms in the Chapter. I am just returning from a wonderful trip to Irvine, CA and attending our Pacific Southwest Region Forum (Spring Conference). It was very educational and empowering! We had 5 Chapter members attend; Myself, Tammy Pascual, Samantha Walter, Rebecca McNabb and Cheyenne Jordan. Below is a recap of the Conference.

Friday kicked off the Conference with early morning yoga on the lawn of the Marriott Irvine Spectrum Hotel. It was a gorgeous Southern California morning! In the late morning we were fortunate to hear from Makita USA. They had a tool truck on-site and we each got the opportunity to create our own picture frames using Makita tools! I have video of myself and Samantha Walter using a miter saw! It was so cool! Next was our afternoon Keynote presentation from Tricia Kagerer who spoke about her book, *The B Words*. She was a powerful and inspiring speaker and spoke about her immigrant grandmother, Peggy Dalton. She also shared the 13 B words that women need to navigate for success. I purchased her book so once I complete it, I can loan it out! The last session on Friday afternoon was a Safety Towards Tomorrow panel moderated by Marjorie Del Toro, PSW Region Safety Chair. It was heartbreaking to hear that both her parents passed away from being electrocuted on their jobs! But also enlightening to see why safety is definitely her passion. We ended Friday with a Friday Fiesta celebration with dinner, drinks and dancing on the lawn. It was a great evening!

Saturday was the business portion of the Conference. I was honored to be the Conference Secretary. WE also heard from keynote presenter, Cheryl Osborn, President of Casco Construction. She shared her story of being a general contractor in Southern California. I think every woman in the room could relate to Cheryl and some of her experiences. We had lunch and heard from Irvine City Mayor Farrah N. Kahn. After lunch we heard from a panel of folks from Hilti and they talked about and demonstrated some of their robots that are really changing things on job sites and making hard work more efficient. Region business session was continued and we were joined for part of the session by NAWIC National President, Doreen Bartoldus. WE also held a caucus for the incoming National Board Nominees.

We ended the Conference with Banquet on Saturday evening. I AM SO PROUD OF PIKES PEAK CHAPTER 356!!! Our Chapter received 3<sup>rd</sup> place for Block Kids, 3<sup>rd</sup> place for Design Drafting and we received the Membership Retention Award for a Chapter of 25 or more!!! We were the ONLY Chapter to receive awards in both Block Kids and Design Drafting. And, we beat out Chapters that have anywhere from 70-90 members in retention. WAY TO GO LADIES!!!

Looking ahead, we are super excited for the 5<sup>th</sup> Annual Rosie Run 5K, our Hard Hat Tour and Chapter Elections, and more! Here's to shining our light and expanding our impact even more!!!

***Shine Our Light. Expand Our Impact.***

Quarterly Community Outreach

(April – June 2022)

For our second quarter community outreach project, NAWIC Pikes Peak Chapter 356 will be holding a backpack and school supply drive to benefit The Hanger, a program of CASA of the Pikes Peak Region. CASA of the Pikes Peak Region is a nonprofit organization that trains and supervises volunteers to represent the best interests of victims of child abuse, neglect, and severe domestic conflict. CASA volunteers are appointed by judges to be a voice for these children in court and in the community. The desired result is that children be placed in safe, loving homes where they can thrive. The Hanger is a store in the back of the CASA office where foster teens can shop for donated clothing and accessories free of charge. It is a simple concept that most of us take for granted, but for a foster kid, being able to choose and wear your own clothes builds self-esteem.

In July, The Hanger holds a back-to-school party for teens in foster care, where they can pick out all their own school supplies and a backpack. This is so important to the youth, as they do not always have the same opportunities to get fun or cool or trendy items for school, so choosing their own items and having a good variety really helps build normalcy. They light up when they see all the options from which they can choose! The Hanger has school supplies available all year long so that they can pick up what they need throughout the year. This also helps when they have emergency placements, as these teens often are unable to grab many items before being removed from their homes and school supplies are not on their mind at that time.

For the months of April, May, and June, our chapter will be collecting backpacks and school supplies for The Hanger's back-to-school party. Things that they are currently in need of are:

- Backpacks
- Folders
- Dividers
- Paper – College and wide ruled. Filler paper, spiral notebooks, and composition books.

Teens really enjoy FUN school supplies! Look for items that are pretty, trendy, and/or have designs on them, for boys and girls, ages 13-21. This is a perfect time of year to look for clearance backpacks and school supplies at local stores like Hot Topic, Kohl's, JC Penney, Target, Walmart, Ross, TJ Maxx, and more. There are also great options available online that are fun prints and on clearance. This one was found on Pottery Barn Teen!

Please bring your backpacks and school supplies to our April, May, and June meetings or contact Samantha Walter to arrange for pick up or drop off. Feel free to share this donation opportunity with everyone that you know! The chapter will be making one big donation of all items collected in June. The donation date is currently TBD.

## **PIKES PEAK CHAPTER 356 CHAPTER SPONSORSHIP FORM**

NAWIC's core purpose is to enhance the success of women in the construction industry and our chapter's goal is to help educate and promote leadership to women in the construction industry. A NAWIC sponsorship allows companies to annually demonstrate commitment and support of these values within our community.

With a variety of sponsorship opportunities available, sponsors like you allow the leadership and membership of our chapter to execute programs that introduce construction as a viable career path, promote construction trades as another alternative to a successful career choice, work with students from elementary to high school with our Block Kids and Design Drafting Competitions, and introduce a wide variety of professional development and education to promote professional growth.

### **SPONSORSHIP LEVELS**

Build It Up Sponsorships at all levels include company logo on the welcome page of the chapter website with a link to the company's website, a specific sized business ad in our monthly chapter newsletter, the Centerline, recognition at each chapter meeting and events, and other benefits as outlined below. The sponsorship period is October thru September.

- Build It Up Platinum Sponsor \$2,000 - Includes all items listed above, with a full-page ad in the Centerline, one annual corporate membership, and \$500 applied to two chapter events of your choice.
- Build It Up Gold Sponsor \$1,500.00 – Includes all items listed above, with a full-page ad in the Centerline, and \$500 applied to two chapter events of your choice.
- Build It Up Silver Sponsor \$1,000.00 - Includes all items listed above, with a 1/2-page ad in the Centerline, and \$500 applied to two chapter events of your choice.
- Build It Up Bronze - \$500.00 Includes all items listed above, with a 1/4-page ad in the Centerline, and \$250 applied to one chapter event of your choice.

For more detailed information regarding our chapter events and programs, please contact our chapter president at [president@nawic356.org](mailto:president@nawic356.org).

### Pikes Peak

Yes! I would like to partner with NAWIC Pikes Peak Chapter 356 to help fund educational and service projects in the construction industry within our community. I understand my sponsorship will also help with NAWIC Education Foundation programs held throughout the year.
