Happy New Year, Pikes Peak 356!

The holidays flew by as they tend to do every year as we get older. December was the shortest membership meeting we have held in a very long time; 1 whole minute. Many thanks to the directors for throwing a fantastic holiday party, to the Board for throwing a successful surprise baby shower for Elysa, and to Timberline Landscaping for hosting all of us and our shenanigans!

We now get to look forward to all that 2023 will be. We are starting the New Year with a joint lunch with our NAWIC sisters from the Denver chapter. We are meeting at La Loma in Castle Rock on Saturday, January 7th at 11:00 am. RSVP via the Eventbrite invitation.

Our big event in January is the NEF Block Kids Lego Competition. The committee is looking for help with items for the goody bags, stuffing the goody bags, judging, and general help on the day of the event. Let's pitch in to make this a fun and engaging event for the kiddos. Contact the Block Kids Co-Chairs (Naomi and Ginger) at blockkidspp356@gmail.com.

January's Membership Meeting is one of my favorites of the year! We will be going to Coronado High School to have the robotics team, Cougars Gone Wired, present the year's challenge. This is a wonderful way to get many young minds involved in STEM. RSVP via the Eventbrite invite, please. You don't want to miss this meeting!

There are many ways for you to get involved with our Chapter in the first quarter. If you have any questions, don't hesitate to reach out to anyone on the board or any of the committee chairs/co-chairs.

Cheers to another wonderful year together, ladies!

Community Outreach

Our fourth quarter Community Outreach came to a close on December 17, 2023 when NAWIC Pikes Peak Chapter 356 members completed the gift drop off to God's Pantry. With the help of all of our generous members, we were able to gift all of the wish list items, that were needed and wanted, along with grocery gift cards and a monetary donation to two families in the Pikes Peak Region. Here is a note that was shared by one family, Desiree and her two year old nephew, Braxton.

"Braxton loved everything! Sorry I didn't get a lot of good pics. His favorite part about the presents was throwing the paper away lol. We are so thankful for everything, it was such a blessing and more than I could have imagined."

Community Outreach

It is because of our amazing NA-WIC chapter members that we were able to bring some extra joy this holiday season to two families that were in need this year. I can't thank everyone enough for your generosity. Not just for the last quarter, but for everyone's donation of their time, money, and collected items throughout the year that allowed us to help out local nonprofit organization's within our community. Great job ladies!

WIC Week Update

Ladies it's time to mark your calendars: Women in Construction (WIC) Week will be happening March 5-11, 2023!

A whole week dedicated to celebrating women like YOU!

Keep an eye out for the entire WIC Week calendar that will be shared with the chapter soon - but expect a full week of fun!

SAVE THE DATES:

Sunday March 5, 2023 - Our chapter will be hosting a "Spring Swap" event open to the public. All funds raised from this event will go to supporting our chapter. The WIC Week Committee and the Fundraising Committee are still finalizing some details for this event. We are NOW collecting donations of gently used clothing and accessories worthy of a Consignment Store. Items such as: Men's, Women's and Children's Clothing, Shoes, Jewelry, Purses, Scarves, Hats and Accessories. We encourage you to ask friends, coworkers, family, and neighbors for donations! Once you have collected all that you feel you can, contact either Amy Christiansen or Grace Houston and we can work out the best course of action to take them off your hands. If you would like us to provide boxes that can be used as a collection container, we are happy to provide you with one or more to use.

Feel free to use the donation flyer to help with your collecting. More details on the Spring Swap event to come.

Wednesday March 8, 2023 - Our Chapter will be hosting a "Creative Class" night at 5:30pm. Bring potential members, coworkers, friends, or family to participate in the fun! More details to come.

Saturday March 11, 2023 - Our Chapter's WIC Week event "Gals on the Green" will be happening at 5pm at First Tee. NAWIC Members and potential members can join us for indoor golfing, food, drinks and socializing to celebrate Women in Construction (WIC) Week 2023. Come dressed in your golfing best! More details to come.

WIC Week would not be possible without the support of our amazing sponsors!

Is your company interested in supporting our chapters 2023 WIC Week? Or know of a company willing to sponsor? WIC Week sponsors are not limited to only construction companies. We encourage each of you to take a look at the different WIC Week Sponsorship levels available. Share the sponsorship info with a fellow company, business neighbor, vendors, and more- you never know who is willing to support until you ask!

If you have any questions, don't hesitate to reach out.

Block Kids Committee

Block Kids is a building competition for students in kindergarten through 6th grade. This is a national competition with local events hosted by NAWIC chapters around the country. During the competition, participants are given 100 micro Legos and may also choose up to three of the following supplemental items: a rock, up to 12" of string, a pre-measured square of aluminum foil, and/or a pre-measured square of poster board. They then have 45 minutes to build a structure that can be lived in, worked in, or played in. After the participants have built their structures, judges select their favorites based on appearance and brief conversations with the builders. The top five participants in each age group (K-3 and 4-6) are then interviewed further and the structures are ranked based on the overall structure, participant knowledge and creativity. Each of these ten "finalists" leave with a Lego set. However, all of our participants receive a certificate and a goodie bag. The structure of the student who receives the top score overall is then submitted to the regional building competition via pictures and descriptions of the structure. Regional winners are submitted to a national competition

The purpose of this competition is to get young students thinking about future careers in the construction industry. And man, it's fun to watch their minds turn as they build!

Flyers to past participants were mailed out December 5th.

As of January 3, 2023 we have 26 kiddos registered and anticipate more as the schools resume after winter break.

We will need volunteers to help judge, as well as donations for the snack table. For those who have volunteered to stuff goodie bags and help sort legos, please remember we are meeting at 11 AM Saturday, January 14th at Timberline.

Please email blockkidspp356@gmail.com with any questions and we will get back to you as soon as possible.

Design Drafting Competition

Save the date - The Judging is scheduled for Saturday morning, March 18, 2023. Location TBD.

More details will follow for volunteer, sponsor, and judge opportunities after the New Year.

PIKES PEAK CHAPTER 356 CHAPTER SPONSORSHIP FORM

NAWIC's core purpose is to enhance the success of women in the construction industry and our chapter's goal is to help educate and promote leadership to women in the construction industry. A NAWIC sponsorship allows companies to annually demonstrate commitment and support of these values within our community.

With a variety of sponsorship opportunities available, sponsors like you allow the leadership and membership of our chapter to execute programs that introduce construction as a viable career path, promote construction trades as another alternative to a successful career choice, work with students from elementary to high school with our Block Kids and Design Drafting Competitions, and introduce a wide variety of professional development and education to promote professional growth.

SPONSORSHIP LEVELS

Build It Up Sponsorships at all levels include company logo on the welcome page of the chapter website with a link to the company's website, a specific sized business ad in our monthly chapter newsletter, the Centerline, recognition at each chapter meeting and events, and other benefits as outlined below. The sponsorship period is October thru September.

- Build It Up Platinum Sponsor \$2,000 - Includes all items listed above, with a full-page ad in the Centerline, one annual corporate membership, and \$500 applied to two chapter events of your choice.
- Build It Up Gold Sponsor \$1,500.00 – Includes all items listed above, with a full-page ad in the Centerline, and \$500 applied to two chapter events of your choice.
- Build It Up Silver Sponsor \$1,000.00 - Includes all items listed above, with a 1/2-page ad in the Centerline, and \$500 applied to two chapter events of your choice.
- Build It Up Bronze - \$500.00 Includes all items listed above, with a 1/4-page ad in the Centerline, and \$250 applied to one chapter event of your choice.

For more detailed information regarding our chapter events and programs, please contact our chapter president at president@nawic356.org.

Pikes Peak

Yes! I would like to partner with NAWIC Pikes Peak Chapter 356 to help fund educational and service projects in the construction industry within our community. I understand my sponsorship will also help with NAWIC Education Foundation programs held throughout the year.
