Welcome to March in the Rockies!

We are in the home stretch of winter, ladies. The first day of Spring is March 20! Though we know Colorado weather, don't put away the parkas and snow boots quite yet.

We are ending winter with the WIC Week 25th Anniversary. Our WIC Week Committee has an event (in person or virtual) every day during March 5 – 11! Please see Grace's email or read on for more information.

I will be attending the Clothing Swap on March 5, the Brush Crazy event on March 8, the coffee break on March 10, and Gals on the Green event on March 11. I hope each of you can participate in at least one event!

Be sure to make social media posts to show all of our industry friends why they should join! Let's make a buzz about celebrating Women in Construction. Use the hashtags #nawicpp356 and #nawicpsw to reach even more potential members.

Because we have so much going on during WIC week, we do not have our normal monthly membership meeting. We will see you all again on April 20 for the CAD Awards.

Speaking of April, there is still time to register for the Spring Forum on April 28 & 29 at the Cheyenne Mountain Resort, right here in Colorado Springs. They are still in need of sponsors! Please reach out to Allie Jencson ([ally@flfloorcoatings.com](mailto:ally@flfloorcoatings.com)) for sponsorship info.

Cheers to WIC Week's 25th Anniversary!!

# **WIC Week Update**

**Ladies it's time to mark your calendars: Women in Construction (WIC) Week will be happening March 5-11, 2023!**

**A whole week dedicated to celebrating women like YOU!**

**Keep an eye out for the entire WIC Week calendar that will be shared with the chapter soon - but expect a full week of fun!**

**SAVE THE DATES:**

**Sunday March 5, 2023** - Our chapter will be hosting a "Spring Swap" event open to the public. All funds raised from this event will go to supporting our chapter. The WIC Week Committee and the Fundraising Committee are still finalizing some details for this event. We are NOW collecting donations of gently used clothing and accessories worthy of a Consignment Store. Items such as: Men's, Women's and Children's Clothing, Shoes, Jewelry, Purses, Scarves, Hats and Accessories. We encourage you to ask friends, coworkers, family, and neighbors for donations! Once you have collected all that you feel you can, contact either Amy Christiansen or Grace Houston and we can work out the best course of action to take them off your hands. If you would like us to provide boxes that can be used as a collection container, we are happy to provide you with one or more to use.

Feel free to use the donation flyer to help with your collecting. More details on the Spring Swap event to come.

**Wednesday March 8, 2023** - Our Chapter will be hosting a "Creative Class" night at 5:30pm. Bring potential members, coworkers, friends, or family to participate in the fun! More details to come.

**Saturday March 11, 2023** - Our Chapter's WIC Week event "Gals on the Green" will be happening at 5pm at First Tee. NAWIC Members and potential members can join us for indoor golfing, food, drinks and socializing to celebrate Women in Construction (WIC) Week 2023. Come dressed in your golfing best! More details to come.

**WIC Week would not be possible without the support of our amazing sponsors!**

Is your company interested in supporting our chapters 2023 WIC Week? Or know of a company willing to sponsor? WIC Week sponsors are not limited to only construction companies. We encourage each of you to take a look at the different WIC Week Sponsorship levels available. Share the sponsorship info with a fellow company, business neighbor, vendors, and more- you never know who is willing to support until you ask!

If you have any questions, don't hesitate to reach out.

# Community Outreach

NAWIC Pikes Peak 356 Quarterly Community Outreach

(February – March 2023)

The first quarter of 2023 is already in full swing, and we'll be helping First Tee – Southern Colorado, now through March, for our Community Outreach endeavors. First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, First Tee creates active learning experiences that build inner strength, self-confidence, and resilience that kids can carry to everything they do.

Here are three ways that we can help First Tee:

**Shop their Amazon Wishlist:** [https://www.amazon.com/hz/wishlist/lz/3S7GG9XOSUW8?ref=wl\\_share](https://www.amazon.com/hz/wishlist/lz/3S7GG9XOSUW8?ref=wl_share)

First Tee has a detailed Wishlist set up that includes sets of golf clubs that they use as rentals for their participants, putter sets that the 3 & 4 year olds, that they refer to as Little Chippers, use when they are starting out, training equipment used for golf warm ups, and board games that will be used for a new monthly birthday event that they are implementing for their regular attendees from their core program.

You can purchase items and bring them to the February membership meeting or to the Gals on the Green Event where we will be presenting First Tee with all the items that the chapter has purchased for them. If it's easier for you, then feel free to order from the Wishlist and have the order sent to Rampart Tile Company and Samantha will store them until donation day.

**Sponsor a kid by donating through their Donation Page:**

<https://firstteesoco.org/donate/>

First Tee has tuition scholarship opportunities so funds donated through the donation page will go to towards helping kids, age 3-18, to be able to participate in their programs.

**Sign up to Volunteer:**

First Tee's upcoming Spring Break Camp for 2023 is set for the week of March 27-31, 2023, from 9-12 each day. They can typically use at least 5-6 volunteers per day as they like to have one coach to five kids. You can also ask about other volunteer days and times outside of the Spring Break Camp. The volunteer registration process does require each volunteer to complete a background check (fee \$20.50 to be paid by the volunteer for the initial BGC)

and to complete an online SafeSport Training (takes two hours to complete). Visit the Volunteer Page and fill out the online form to get started: <https://firstteesoco.org/get-involved/>

# Community Outreach

NAWIC Pikes Peak 356 Quarterly Community Outreach

(April – June 2023)

For our second quarter community outreach, we will have two volunteer opportunities at the National Mill Dog Rescue in Peyton. NMDR is a 501(c)(3) non-profit organization, and their mission is:

To rescue, rehabilitate and rehome discarded breeding dogs and to educate the general public about the cruel realities of the commercial dog breeding industry.

National Mill Dog Rescue was established in February 2007, in honor of a forgiving little Italian Greyhound named Lily. Theresa Strader, NMDR’s Founder and Executive Director, rescued Lily from a dog auction in Missouri. Prior to that day, Lily had spent the first seven years of her life as a commercial breeding dog, a puppy mill mom. Determined that her years of living in misery would not be in vain, Strader started NMDR, giving a voice to mill dogs across the country. You can read the rest of Lily’s story here: <https://nmdr.org/why-we-do-what-we-do/>

We will have two dates, for up to 15 volunteers, to volunteer at the rescue. Please use the Eventbrite links below to sign up for your preferred date. These links are not public, but can be shared with family, friends, and co-workers that would like to volunteer with our group as well.

- Saturday, April 15, 2023 – 12:00 pm – 4:00 pm <https://www.eventbrite.com/e/571088881217>
- Saturday, May 13, 2023 – 12:00 pm – 4:00 pm <https://www.eventbrite.com/e/571091158027>

NMDR volunteer coordinator, Joni Williams, will take our group through a brief group orientation and tour of the shelter. After that, our group will get into the kennels and interact with the dogs, help with spot cleaning, take several dogs out to an indoor or outdoor play yard for a ‘Puppy Party’, take bigger dogs on a pack walk, etc.

Important things to note for volunteer day:

- It is best to wear comfortable clothes, wear layers depending on the weather, and clothes toed shoes.
- Bring a water bottle.
- The maximum number of people in our group will be 15 people.
- Volunteers must be at least 15 years of age. Those between 15-18 years of age must be accompanied by an adult at all times.
- Anyone 18 and older can sign a waiver at the kennel upon arrival.
- If you would like to be a recurring volunteer with NMDR, whether in a group or individually, then please register as a volunteer here: <https://nmdr.volunteermatters.org/register>

If you have any questions regarding these two volunteer dates, then please contact Samantha Walter at 719-649-2739. You can visit National Mill Dog Rescue’s website to learn more about this organization.

# Open Board Position

There have been some changes within our Board of Directors. Unfortunately, Michelle Humphrey had to resign from her Secretary position because of her new job. She travels quite a bit and isn't able to fit the Board meetings into her work schedule. She did not make this decision lightly and plans on staying a member. She will continue to be the Scholarship Committee Chair. We are wishing her the best as she transitions into this new role with a new company!

At the last Board Meeting, Jennifer Zezlina agreed to take on the role of secretary for the remainder of the NAWIC year. Thank you, Jennifer, for your willingness to help the Board in a time of need.

This means we have a Director position open immediately. The Directors are tasked with planning the monthly meetings (speakers and food, if applicable) and being a liaison between the members and the Board. Our current Directors have most of the meetings already scheduled for the remainder of the NAWIC year. This gives the new Director time to work with the current Directors before they would need to schedule a meeting for the group. Directors attend the Board Meetings. The Board Meetings are held on the first Thursday of the month at RMG (2910 Austin Bluffs Pkwy, Colorado Springs, CO 80918), starting at 5:30 pm.

If we get one volunteer, then the director position is automatically theirs. If we get more than one volunteer, the Board will hold a vote for the position.

We are not notifying National until April of these changes. This means they will be serving less than 6 months and it will not count as a full term. Therefore, Jennifer and the person stepping in as director could still run for 2 full terms for Secretary or Director, if they so choose.

**If you are interested in the Director position, then please reach out to Kristen by 5:00 pm on Friday, March 10, 2023. She is happy to answer any questions you may have. She would like to have this position filled in time for the April Board meeting on April 6, 2023.**

# Registration is OPEN!!

**SAVE THE DATE!**

**September 28, 2023**

We invite you and high school students (grades 11-12) to volunteer at the 14th annual Colorado Construction Career Days of Southern Colorado on September 28, 2023. This event also puts them in contact with local contractors.

Students spend the day from 8:30 AM to 1:30 PM engaged in hands-on events, stationary equipment activities and technology demonstrations.

Lunch will be provided.

Registration and information will be available on line at

## PIKES PEAK CHAPTER 356 CHAPTER SPONSORSHIP FORM

NAWIC's core purpose is to enhance the success of women in the construction industry and our chapter's goal is to help educate and promote leadership to women in the construction industry. A NAWIC sponsorship allows companies to annually demonstrate commitment and support of these values within our community.

With a variety of sponsorship opportunities available, sponsors like you allow the leadership and membership of our chapter to execute programs that introduce construction as a viable career path, promote construction trades as another alternative to a successful career choice, work with students from elementary to high school with our Block Kids and Design Drafting Competitions, and introduce a wide variety of professional development and education to promote professional growth.

### SPONSORSHIP LEVELS

Build It Up Sponsorships at all levels include company logo on the welcome page of the chapter website with a link to the company's website, a specific sized business ad in our monthly chapter newsletter, the Centerline, recognition at each chapter meeting and events, and other benefits as outlined below. The sponsorship period is October thru September.

- Build It Up Platinum Sponsor \$2,000 - Includes all items listed above, with a full-page ad in the Centerline, one annual corporate membership, and \$500 applied to two chapter events of your choice.
