- 06/01/2023 Board Meeting
- 06/15/2023 Membership Meeting

Happy Spring!

I know this means crazier weather here in Colorado, but it also means warmer days are coming soon.

How great was WIC Week?! Grace and her WIC Week committee did a FANTASTIC job!! Also a huge shout out to the significant others that helped at the events. We have some awesome supporters!

We get to celebrate our CAD Design competitors at our April membership meeting. Those that bought tickets will get a refund because Double M Concrete is now sponsoring this meeting. Be sure to thank Karen Mitchell for the sponsorship!

Don't forget about the 2023 Spring Forum Regional Conference at the Cheyenne Mountain Resort April 28 & 29. Ally and her team have done a wonderful job planning. We are hosting an Olympic/Para-Olympic Museum Tour on April 27. There is still time to register for all of the fun! These conference always renew my love for NAWIC. This is a great way to meet and network outside of our chapter. They are still looking for sponsors as well.

The Nominating Committee will be calling soon! It is a great way to learn more about the board. Ask them questions and get a feel for a position you would excel in. We will have every position to fill: President, President-Elect, Vice President, Secretary, Treasurer, and 4 Directors. Talk to any of us about our positions.

I'll start gardening season with a joke. Why is Yoda such a good gardener?... Because he has a green thumb.

Have a great month and I look forward to seeing you all at April's Membership meeting!

Kristen Ibarra, CDT

2023 WIC Week Recap

WIC Week 2023 was a huge success!

Thank you to our amazing WIC Week Committee, Sponsors and Volunteers for helping make it a week to remember! Watch for an email from wicweekpp356@nawic356.org with a detailed WIC Week Summary PDF.

See the day by day breakdown below for more info on what all happened:

Sunday March 5: We hosted a ticketed Clothing Swap event open to the public. Attendees got to browse through a variety of gently used women's, men's, and kids clothing and accessories. Over \$800 was raised from this event and went to the NAWIC Pikes Peak 356 Chapter general fund! Leftover clothes were donated to local charities in need!

Monday March 6: For Social Media Monday, we encouraged people to post a photo of themselves with the WIC Week poster, WIC Week Pin, in any NAWIC swag, or them as a Woman In Construction! We wanted a way to share with the world what we love about NAWIC and what being a part of it means to each of us.

Tuesday March 7: We celebrated Taco Tuesday by hosting a virtual Cooking class over Zoom! We send out the ingredients and recipe in advance for people to prepare. Then the night of, everyone could cook and follow along at home.... Or order in tacos and watch from the couch!

Wednesday March 8: We held a Crafting Night for members, guests, friends and family to spend the evening together and get creative.

Thursday March 9: We emailed out some fun NAWIC themed Brain games for everyone to complete.

Friday March 10: We hosted a short 15 minute mid-morning Virtual Coffee Break over Zoom. We had a guest speaker, Julie Miller Davis, who spoke to us about the importance of taking your breaks at work for your mental health and productivity.

Saturday March 11: To close out WIC Week, our chapter hosted Gals on the Green at First Tee's indoor golfing facility. First Tee is a non-profit that teaches kids life lessons through golf. All the venue fees we paid went back into their kids program. At this event NAWIC Members, potential members, friends and family joined us for indoor golfing, yummy food, drinks, raffles, and socializing to celebrate Women in Construction Week. We had our local city council president attend our event and he read our proclamation to the attendees. Additionally to partner with First Tee further, we made them our non-profit of Q1 for our Outreach Committee.

Community Outreach

NAWIC Pikes Peak 356 Quarterly Community Outreach

(April – June 2023)

For our second quarter community outreach, we will have two volunteer opportunities at the National Mill Dog Rescue in Peyton. NMDR is a 501(c)(3) non-profit organization, and their mission is:

To rescue, rehabilitate and rehome discarded breeding dogs and to educate the general public about the cruel realities of the commercial dog breeding industry.

National Mill Dog Rescue was established in February 2007, in honor of a forgiving little Italian Greyhound named Lily. Theresa Strader, NMDR's Founder and Executive Director, rescued Lily from a dog auction in Missouri. Prior to that day, Lily had spent the first seven years of her life as a commercial breeding dog, a puppy mill mom. Determined that her years of living in misery would not be in vain, Strader started NMDR, giving a voice to mill dogs across the country. You can read the rest of Lily's story here: <https://nmdr.org/why-we-do-what-we-do/>

We will have two dates, for up to 15 volunteers, to volunteer at the rescue. Please use the Eventbrite links below to sign up for your preferred date. These links are not public, but can be shared with family, friends, and co-workers that would like to volunteer with our group as well.

Saturday, April 15, 2023 – 12:00 pm – 4:00 pm <https://www.eventbrite.com/e/571088881217>

Saturday, May 13, 2023 – 12:00 pm – 4:00 pm <https://www.eventbrite.com/e/571091158027>

NMDR volunteer coordinator, Joni Williams, will take our group through a brief group orientation and tour of the shelter. After that, our group will get into the kennels and interact with the dogs, help with spot cleaning, take several dogs out to an indoor or outdoor play yard for a 'Puppy Party', take bigger dogs on a pack walk, etc.

Important things to note for volunteer day:

It is best to wear comfortable clothes, wear layers depending on the weather, and clothes toed shoes.

Bring a water bottle.

The maximum number of people in our group will be 15 people.

Volunteers must be at least 15 years of age. Those between 15-18 years of age must be accompanied by an adult at all times.

Anyone 18 and older can sign a waiver at the kennel upon arrival.

If you would like to be a recurring volunteer with NMDR, whether in a group or individually, then please register as a volunteer here: <https://nmdr.volunteermatters.org/register>

If you have any questions regarding these two volunteer dates, then please contact Samantha Walter at 719-649-2739. You can visit National Mill Dog Rescue's website to learn more about this organization.

Design Drafting Competition

NAWIC

The National Association of
Women in Construction

HUGE SHOUT-OUT

*To all of those who sponsored, volunteered, and judged
during the CAD Competition:*

*Cathy Andrew, Amy Christiansen, Heather Engle,
Angelique Kalio, Ashley Stoever, and Jennifer Zezlina*

*Double M Concrete, HPE, JATC Plumbers Local 58,
Rampart Tile, and TMS Construction.*

*We could not have done it without **You!***

*This year, we had a total of **4** contestants!!*

*The student who placed **1st** has been sent off to Regional
for a chance to move forward to the*

National Level!!

Craft Club

Please join Amy and Ginger on April 12th at Rampart Tile for our monthly Craft Club meeting.

RSVP to either Amy or Ginger so we can plan accordingly.

Book Club

Our selection for April and May will be "Warrior Goddess Training" by Heatherash Amara. We will read lessons 1-5 in April with the meeting on April 22nd, and Lessons 6-10 in May with the meeting on May 27th. This book is available through Amazon. For June, Ginger is looking at a book that focuses on physical health. Moving forward she would like to incorporate both mental and physical wellness in our books. If you have any that you would like for us to read, please let Ginger know.

Block Kids

Our Block Kids Competition will be held in January of 2024 - but watch for some FUNdraisers for this event!

More details as we get closer!

Professional Development & Education

Happy Springtime to you all! This is my absolute favorite time of year. More sunny days and warmer temps. Time for planning my garden and starting my flower pots. More outdoor walks and soon enough, camping! I hope each of you set some goals around being outdoors more this spring and summer.

As mentioned in my previous reports, we have 2 Region awards for PD&E. The first award, Chapter PD&E Participation Award, will go to the Chapter(s) with the most members participating in live National PD&E webinars. The remaining webinar schedule is listed after this letter. The 2nd award, Chapter PD&E Champion Award will go to the Chapter(s) with the most creative and/or consistent PD&E programming for the coming year. I am calling this the PD&E Champion Award because this will go to the Chapters committed to championing their Professional Development and Education Committee program and engaging their members in it.

Remaining 2023 NAWIC National PD&E Webinars (confirmed)

PLEASE NOTE: All webinars will be held at 11:00 AM Central Time

April 11 - Productivity in Construction: How to Use Technology and Tools to our Advantage

May 9 - Creating an Exceptional Client Experience

June 13 - Employment Gone Wrong: Are You Prepared?

July - No Webinar

Aug - No Webinar

Sept. 12 - The 3 A's of Recruiting and Retaining a Sustainable Workforce

Remaining PD&E Goals for 2023 – From National PD&E Chair, Lori Donnell.

Our last remaining goal for the year is to launch the Speaker's Bureau database/spreadsheet. The plan is to have the application ready by the end of April to begin distributing to member speakers. We will build that database first and then expand to "outside" speakers. I am hoping to have an initial member speaker database ready to release by July. It will take some time to organize the spreadsheet. Once we have the member speaker spreadsheet released, we will expand to "outside" speakers. We will create a vetting process for outside speakers to ensure we are offering our members qualified and relevant speakers.

The Speakers Bureau will be a HUGE asset to Chapters and Regions. I love that National is highlighting members who are speakers/presenters first. Keep an eye out for more information to come on this exciting development!

Login to your nawic.org account, click on education, click on webinars.

Be sure to save the date in your schedules for the monthly PSW PD&E Zoom call! Our Zoom sessions are held on the third Thursday of every month at 7am Hawaii Pacific / 11am Pacific / 12pm Mountain / 1pm Central / 2pm Eastern times.

The ZOOM meeting ID and passcode are always the same:

Meeting ID: 603 457 6573

Passcode: REBEL

(Please note: the passcode is my acronym for

Real Example of Brave Empowered Leader)

Registration is OPEN!!

SAVE THE DATE!

September 28, 2023

We invite you and high school students (grades 11-12) to volunteer at the 14th annual Colorado Construction Career Days of Southern Colorado on September 28, 2023. The purpose of Construction Career Days is to broaden student knowledge about the multi-faceted opportunities available and to increase the number of men and women entering the construction industry. This event also puts them in contact with local contractors. Students spend the day from 8:30 AM to 1:30 PM engaged in hands-on events, stationary equipment activities and technology demonstrations.

Lunch will be provided.

Registration and information will be available on line at

<https://www.sococareerdays.com/>

prior to the event.

Planned and Organized by:

Southern Colorado Construction Career Day Foundation

PIKES PEAK CHAPTER 356 CHAPTER SPONSORSHIP FORM

NAWIC's core purpose is to enhance the success of women in the construction industry and our chapter's goal is to help educate and promote leadership to women in the construction industry. A NAWIC sponsorship allows companies to annually demonstrate commitment and support of these values within our community.

With a variety of sponsorship opportunities available, sponsors like you allow the leadership and membership of our chapter to execute programs that introduce construction as a viable career path, promote construction trades as another alternative to a successful career choice, work with students from elementary to high school with our Block Kids and Design Drafting Competitions, and introduce a wide variety of professional development and education to promote professional growth.

SPONSORSHIP LEVELS

Build It Up Sponsorships at all levels include company logo on the welcome page of the chapter website with a link to the company's website, a specific sized business ad in our monthly chapter newsletter, the Centerline, recognition at each chapter meeting and events, and other benefits as outlined below. The sponsorship period is October thru September.

- Build It Up Platinum Sponsor \$2,000 - Includes all items listed above, with a full-page ad in the Centerline, one annual corporate membership, and \$500 applied to two chapter events of your choice.
- Build It Up Gold Sponsor \$1,500.00 – Includes all items listed above, with a full-page ad in the Centerline, and \$500 applied to two chapter events of your choice.
- Build It Up Silver Sponsor \$1,000.00 - Includes all items listed above, with a 1/2-page ad in the Centerline, and \$500 applied to two chapter events of your choice.
- Build It Up Bronze - \$500.00 Includes all items listed above, with a 1/4-page ad in the Centerline, and \$250 applied to one chapter event of your choice.

For more detailed information regarding our chapter events and programs, please contact our chapter president at president@nawic356.org.

Pikes Peak

Yes! I would like to partner with NAWIC Pikes Peak Chapter 356 to help fund educational and service projects in the construction industry within our community. I understand my sponsorship will also help with NAWIC Education Foundation programs held throughout the year.
